This large block of land, at 2.76 (approx) acres, offers ample space for a variety of development options. For those interested in building a home, the rural setting offers a tranquil and peaceful environment, away from the hustle and bustle of the city. The rural lifestyle zoning also means that the land is located away from major urban centres, providing a secluded retreat for those looking for a slower pace of life. For agricultural purposes, the land offers ample space to cultivate crops or keep horses or livestock. The presence of the dam may be useful for irrigation/stock purposes, providing a source of water. Overall, the 2.76 (approx) acres of titled land with a dam stocked with Yellow Belly & Silver Perch, zoned as VACANT RESIDENTIAL RURAL/RURAL LIFESTYLE, offers a multitude of development options. Whether you're looking to build a home, farm, or create a recreational retreat, this land offers ample space and potential for a variety of uses.
