Located approximately 20km west of Tenterfield is 436 Woodside Road, 96.25 acres of undulating granite country. Bitumen road access, fenced into 2 paddocks, currently running 10 cows – calves sold in April. There are 2 dams and a gully, shelter belts, rocky outcrops, building sites, steel stockyards with loading ramp and fences in good condition. The road does separate the 2 paddocks. Call Steve today to discuss.
