Guide \$300,000 - \$330,000

Neatly tucked away behind an existing home, this subdivided block, presents an opportunity for a brand new home close to the amenities of town. The block has power and sewer connections in place, ready to build on with a minimum of fuss. The block is a very manageable 530.4 sqm in size making that easily obtainable. There are currently several options for home builds, for further information please contact Gary or Simon.
