Immerse yourself in the modern luxury of high-quality brand-new townhouse. Offering streamlined accommodation that is matched by an ultra-convenient locale, this is a package that offers appeal to busy families and investors as well as accessibility for downsizers thanks to an optional ground floor master. Lofty ceilings and pale flooring combine to create a contemporary aesthetic through the spacious floorplan which flows past the first of two ensuite bedrooms to the light-filled rear entertaining zone. Here, two sets of oversized sliders connect indoors with the wraparound alfresco deck, while the luxurious kitchen has been appointed with premium Smeg 900mm cooking appliances and an integrated dishwasher and topped with chic veined stone. A butler's pantry and laundry lead from here and out to the side yard. Upstairs, a valuable second living area will appeal to families, as will the three further generous bedrooms (BIRs) which include the primary suite featuring a stretch of stylish wardrobing and gorgeous ensuite. A full bathroom with frameless walk-in shower and bath is also on this level, while a guest's powder room and auto garage with internal entry are all on offer. Kept comfortable throughout the seasons with zoned heating/cooling and wrapped up by ample storage and a water tank, this sleek setting is an effortless walk to Southland and its station, moments to William Fry Reserve, within easy reach of Highett's ever-increasing dining options and zoned for Cheltenham Secondary College. For more information about this luxe high-quality class townhouse, please contact Kylie Charlton or James Colyvan at Buxton Sandringham.
