Delivering the ultimate 'wow factor' lifestyle with its quality appointments and spacious design, this street front residence is ready to reward the family seeking a carefree lifestyle in a central location. Cohesive and characterized by its open concept design, the free-flowing living, dining and kitchen is incredibly spacious and showcases the premium finishes of waterfall stone benches, 900mm oven/gas stove, dishwasher, glass splashbacks plus a breakfast bench for meals on the run. Achieving the perfect flow between inside and out, sliding doors open onto an alfresco deck and courtyard boasting synthetic turf for an ever-green ambience and carefree appeal. Contributing to the home's quality design is a ground floor master bedroom with walk-in-robe and dual vanity ensuite, additionally served on this level by a powder room and laundry. Arriving upstairs, you'll find three further bedrooms, two with walk-in-robos and the third with a built-in-robe, accompanied by a family bathroom and separate toilet. Finished to perfection with ducted heating, split system air conditioning, alarm, high ceilings, LED downlights plus a single garage with internal access and driveway parking space. Ideal for the growing family, the home sits within walking distance to Lyndale Greens Primary and Lyndale Secondary College, with central access to Waverley Gardens Shopping Centre, Dandenong Plaza, Dandenong Market, recreation facilities and reserves plus EastLink and Monash Freeway. Photo ID required at all open for inspections.
