Perfectly positioned in one of the highly sought-after locations central to Brisbane, this modern townhouse offers spacious and light-filled low maintenance living. Tastefully designed with a quality all of its own, the style and flow of this lovely property will have you basking in its modern touches and enjoying the flexibility of its functional appointments. Set over two levels, the townhome gives a feel of open plan living flowing from the front door to the living, kitchen and outdoor entertaining area. The three bedrooms are generously sized and the townhome also has a sizeable study nook. The open plan kitchen has gas appliances, glass splashbacks, stone benchtops, stainless steel appliances and ample bench space to utilise. Located in Annerley, the property is a mere 6km from Brisbane CBD with a number of transport options at your fingertips. Advantages of living in Annerley include access to popular Universities and Hospitals, Clem 7 Tunnel, Freeway, the Green Bridge and Buranda Shopping Centre. **BOOK AN INSPECTION ONLINE - IT'S EASY!** Click on the "Book an Inspection Time" button under the open for inspections times on our website, then choose a date and time that suits you to inspect.
