If you are very particular and looking for a beautiful property and don't want to go through the renovation process, this is the ONE for you. This beautiful two bedroom townhouse is located in the popular Ti-Tree Resort opposite Four Mile shops and only 500m to the famous Four Mile Beach. On the ground floor there is a fully renovated beautiful kitchen, a very practical design equipped with an island bench top and dishwasher. The kitchen bench is quartz white stone and there's ample storage with soft closing draws. Fully tiled throughout the ground floor level. The owners have cleverly added storage underneath the staircase, so it is easy to keep the property clutter-free. There is a powder room on the ground floor and a patio with outdoor table, so you can enjoy the afternoon sea breeze with a drink in your hand! The two spacious bedrooms are upstairs with a fully upgraded shared bathroom with laundry facility in between both bedrooms. The main bedroom has a balcony, facing east so that you can wake up to the tropical morning light. This property comes fully furnished.
