This beautifully appointed home is close to the southern pond and associated parkland in a quite location. The home features two bedrooms. The large master bedroom has a walk-in robe and generous size ensuite. There is also a multi-purpose room, well-appointed kitchen including stone bench tops, living/dining area, a large well designed undercover entertainment area, laundry and double garage with access to mezzanine storage. The home has all the comforts you would expect and more. From extra storage throughout to added fixtures and special touches this home is a delight to see. The home is only a short walk to the resort club house and the facilities while a doctors, pharmacy and hair salon on site makes it in an ideal location.
