This manufactured 2 bedroom home has a front and rear screened deck with open plan design and has been renovated and refurbished through out. Situated in a quiet location in the Riverside Residential park on a large private block suitable for boat or pop top caravan storage. This is a unique opportunity to have the space to store the toys with garden shed and carport and rear. When you buy in a lifestyle village you pay NO strata fees, NO council fees, NO stamp duty and you do pay a site lease fee to the park.
