First home buyers take note. This affordable 3 bedroom home is located in sought after Grenfell Street Forbes, a short walk to town. There is an original kitchen, big enough for an everyday dining area. The lounge room is a good size and sits at the front of the home. Other features include, natural gas heater and ducted evaporative air conditioning. Set on a 673.4 sqm block, with rear lane access, there is a carport and great shed/workshop space as well as a covered outdoor area and a greenhouse.
