When only the best will do, Settlers Rise Estate is the place to be! Living in Mackay's most desirable location on an elevated, half-acre block with majestic views is high on everyone's wish list. Prime land in a beautiful, private setting surrounded by stunning homes; it doesn't get much better than that! Erakala offers the best of both worlds, offering a sense of escapism just minutes from Mackay's hub. Its majestic, country-style spacious appeal will tug at your heartstrings and linger in your thoughts long after your initial drive through this prestigious estate. Building your dream home here will be your best investment ever! Positioned between two stunning properties has its definite advantages, as it showcases an exciting vision of what can be achieved with your future home designs. Tranquil vibes and a beautiful breeze will fill the gorgeous living spaces of your brand-new family home. Your grand plans will undoubtedly feature an inviting pool area, a vast outdoor living configuration, picturesque landscaped gardens, a lush yard space, and your ideal shed, completing the picture-perfect outdoor zone. Mesmerising rolling hills behind this massive block add to the Zen ambience and private atmosphere. If you've been on the endless search for the perfect block to build your forever home, look no further! Settlers Rise Estate: where the city meets the country, and beautiful memories are made...
