\$831,000

This family home is beautifully positioned on a large corner allotment of approximately 1500m² in a quiet well established residential pocket enjoying outlooks across Happy Valley and beyond to the treed Forests recognised for excellent walking trails. The quality-built home offers 3 bedrooms, central bathroom, generous sized lounge with large glass doors allowing for lovely outlooks and spacious kitchen meals area. The home is serviced by ducted heating and cooling and externally has a sheltered rear porch, double brick garage and a large parcel of land suitable for further development which is proving very popular at the moment.
