What an exciting opportunity to purchase this home that has been loved and used over the years by the family. Ideally located along the Great Ocean Road and within an easy walk to the local golf course, the towns shops, and the swimming/surf beaches that are always a popular tourist destination along this famous coastline. This 3-bedroom home sits on a good size block and offers plenty of room to move and enjoy the summer vacations. Ideally suited for anyone wanting to renovate and put their own stamp on something, or simply enjoy as it is. Peterborough is a favourite getaway destination, and it is often hard to find opportunities such as this in such a tightly held location.
