An allotment measuring some 559m² surrounds this single level 3 bedroom, family focused residence. Living and dining spaces of pleasing size, served by an updated kitchen equipped with stainless steel appliances including a dishwasher, modern central bathroom and large laundry, floorboards throughout add to the features of this home along with ducted heating/cooling. Large covered outdoor entertaining, a carport, secure garage with drive through access and a garden backdrop of rewarding dimensions add to that attraction – from lifestyle or investment viewpoints – of a property offering significant upside close to President's Park, schools and shopping options and public transport.
