This beautiful beach house sits on North Narrabeen hill enjoying views of the ocean to the NE and the lake to the W (these are the current views from this single level home but a 1st floor addition would link both directions into a stunning 270° panorama - STCA). This nicely presented family home consists of 2 separate living areas, 3 oversized bedrooms, a renovated kitchen and original bathroom. There's a child friendly rear yard and an enormous in ground pool with surrounding entertaining spaces. A double carport plus lock up storage provides ample space for cars & toys. Walking distance to shops, schools, parks & transport - great to move in & enjoy now, or capitalise on this marquee location on the hill.
