We are looking for tenants to take up a 12 month lease on this fabulous, newly painted, and partly renovated 3 bedroom, 2 bathroom colonial home. Ideally located on an 8000 sqm block (2 acres), spacious open plan living and dining boasting an open fireplace for those colder winter nights. The kitchen has been partly renovated, with a new cooktop and ample cupboard space. Enjoy the bush scenery direct from the master bedroom, it is so spacious and offers fresh new carpet, ensuite, and ceiling fan. Two other well sized bedrooms, with wardrobes and storage space. Both bedrooms are freshly painted with new carpet and ceiling fans. Who doesn't love a newly renovated bathroom? The owners have capitalised on space, adding a new shower and bath. The inside is just half of what is on offer here, if you are an outside person and don't mind a bit of mowing, gardening, tinkering in the shed, or just simply love to sit and watch and listen to the birds sing you will love living here. Bull nose verandah surrounds the home, a massive shed with power and light, room to house 6 cars or fewer cars, and more toys! This property is located in the middle of Morayfield, minutes from major schools both state and private. Local shops and an easy drive to the Morayfield shopping precinct.
