Proudly developed by Cbus Property, 443 Queen Street is your once-in-a-generation opportunity to live in a prestigious residence within a truly world class residential development here in Brisbane. With one-bedroom apartments sprawling a minimum 73 square meters, two-bedroom residences from 105 to 124 square meters and three and four-bedroom residences from 193 square meters, experience living in the air, suspended between the water and the sky, with breathtaking panoramic river views from every angle. These beautifully crafted and thoughtfully conceived residences will exceed all expectations with their unique approach to tropical architecture and urbanism, weaving native and exotic landscaping and materials throughout. The breathable façade allows natural airflow and cross ventilation, a key component to respond to Brisbane's climate. Brisbane's New Riverside Landmark • Proudly developed and recently completed by Cbus Property, one of Australia's most awarded and trusted national property investors and developers. • Located between Queen Street and the Brisbane River • Designed by internationally acclaimed Singapore based WOHA • Designed for Brisbane's subtropical climate. • Full floor recreation deck with 25-metre riverside infinity pool, gym, dining room and cabana lounges • Each residence features natural air flow and cross ventilation, wide frontages, panoramic balconies and separate drying courts. • Residence sizes unlike anything on the market • Situated next to the heritage listed Customs House and neighboring park. • River views for all residences • Arrival gardens on each level If you haven't seen the inside of this building, you need to book an inspection to fully appreciate the incredible new benchmark in Brisbane apartment living...
