This immaculate home is nestled on the banks of the scenic Tamar River and will most certainly gain your attention! Born in 2020, this quality home exudes excellence and sophistication. It is evident in the features and location. Set amidst gentle, rolling, park-like gardens, this one-of-a-kind, bespoke property offers peace, tranquility, privacy and an abundance of sunshine. The ideal setting and space for a variety of animals, enjoy self-sufficiency with a market garden or perhaps a boutique winery (STCA). The choice is yours. Right here is where dreams are made with first-class, breathtaking style the moment you enter the home. The foyer leads you into a vast family living and dining space, with views to envy and a remarkable country kitchen equipped with spacious butler's pantry that exhibits traditional accents, both here and throughout the home. Along the spacious hall, you will discover stunning French paneling and four generous bedrooms as well as the luxurious family bathroom. The master suite is complete with walk-in robe and resort-style ensuite, just like a page out of Home Beautiful. The bright and versatile laundry also serves as a convenient mud room. Every part of this amazing home has been wonderfully thought out by the owners. No expense was spared in establishing the stunning gardens or the building of the home, which boasts double glazed windows and is fully insulated for year round comfort - they even thought of fitting gutter guards! The covered entertaining area is the quintessential spot for family and friends to gather and the best place to unwind with a relaxing breakfast, lunch or summer barbeque. Oh and did we mention the views? Entry is via remote electric gates with easy access to the double remote garage and a separate gate that takes you on through the lovingly considered gardens. So, if a truly magical and serene lifestyle is what you have been dreaming of, then don't delay! Dreams really do come true.
