Starting from - \$690,000

Embark on a new chapter in these exquisite townhouses crafted by a sought-after builder, due for completion in early 2024. These turn-key perfection homes invite stress-free living and the creation of memories from day one. A blend of elegance and functionality awaits, featuring chic designs tailored for modern living—stone top kitchens, laminate timber-look highlights, and square set plastering accentuating comfort in every detail. Stay ahead with Fiber to the Node technology, EV charger readiness, and the security of a state-of-the-art alarm system. Year-round comfort is ensured by zoned reverse cycle split system heating and cooling. Bosch kitchen appliances elevate culinary experiences, while remote sectional panel lift garage doors add a touch of style to your homecoming. Indulge in relaxation with luxurious bathrooms adorned with floor-to-ceiling tiles, black fixtures, and freestanding baths for a spa-like escape. Life's conveniences are steps away with a stroll to the beach, train station, and local shops. Townhouse 2 – 2 bed, 2 bath, 1 car - \$740,000 Townhouse 3 – 2 bed, 1 bath, 1 car - \$690,000 Townhouse 4 – 2 bed, 2 bath, 1 car - \$790,000 Townhouse 5 – 3 bed, 2 bath, 2 car - \$930,000 Don't miss the chance to secure your slice of luxury living in 2024—enquire now and make these townhouses your forever home!
