Glengara Care Apartments is a premium care option in our existing Glengara community, set in the beautiful Glenning Valley – just 1 hour north of Sydney on the beautiful NSW Central Coast. Your new home is nestled within the Glengara community, so you can spend your days out and about, enjoying the excellent amenities of the village and beyond. Our on-site staff is available 24/7 to provide assistance with daily living activities and to ensure the safety and well-being of our residents. We also provide a variety of healthcare services and purpose driven activities where residents can enjoy engaging with others and staying active both physically and mentally. From arts and crafts, to exercise classes and outdoor excursions, there is something for everyone. Our goal is to enhance the quality of life for all residents, promoting independence and fostering a strong sense of community. You can read about our calendar of events [here](#). Glengara Care is conveniently located near public transportation, shopping, and medical facilities, making it easy for residents to stay connected to their community. Don't miss this opportunity to live in a community where you can receive the care you need while maintaining your independence. Contact us to book your private appointment
