\$3,300,000

A versatile 233 acre (approx.) northern facing coastal property with magic views overlooking the township of Wynyard, the ocean and Table Cape. The red basalt soiled property is currently running a sheep breeding operation, but would be very suited to run cattle and or vegetable growing on very fresh country (well suited for potatoes). Irrigation water is supplied from on farm dams with electrical pumping and irrigation mains (121ML water licence). Infrastructure includes a brick veneer four bedroom home, set amidst a very well established garden, 17mt x 17mt hay /machinery shed and a 7mt x 10mt tool shed. This very appealing property, situated only 5 minutes from the Burnie / Wynyard airport, has been the the Vendors home for the last 43 years and is now ready to turn the page of history and provide the next owner a lifetime of memories.
