In a super-convenient pocket of Spotswood, with easy freeway access and proximity to a raft of essential amenities, this three-bedroom, three-bathroom home is a must-see for families, professionals and investors. Spanning two levels and set in easy-to-maintain surrounds, the home has been finished to please and includes a choice of spacious and flexible living zones downstairs along with the bonus of a first-floor retreat. Sleek stainless steel appliances and stylish stone benchtops star in the gourmet kitchen where an entertainer's island sets the scene for relaxed meals, and ample cupboard and preparation space are standout inclusions. All three bedrooms are hidden away upstairs in a peaceful zone of their own, including the master with walk-in-robe and ensuite. The remaining bedrooms have the convenience of built-in storage. Two additional bathrooms are offered - one upstairs and one down - while a full laundry, study nook, ducted heating, split-system heating and cooling, 4.4kw solar system on the roof, a water tank and garage with house access are all highlights of a truly appealing package. Spotswood Primary School, the station, shops, cafes and parks are all within easy reach and the West Gate is easily accessible for a quick and easy workday commute.
