The neat cosy 3 bedroom cottage-style brick home has a good location and easy walking distance to the local shops, RSL, etc. The home is close to the new aquatic swimming pool in Smithton and also over the road from the local basketball stadium, and sporting facilities. The property has secure fencing for children or pets, and also the backyard has a high fence for privacy. A new kitchen has been installed and timber-style new flooring in the high-traffic areas of the home. The family has outgrown the home and is the only reason for selling their neatly presented home. Local schools are within walking distance. The block is flat for elderly couples to maintain.
