Set back from the street and on a secluded north-facing private space, this home has the opportunity for peace and quiet which many desire. As you enter the property, you'll be greeted by the open-plan kitchen, dining, and living space. The kitchen boasts a gas cooktop and island bench while the living space includes reverse cycle split system air conditioning, along with ducted gas heating throughout for year-round comfort. The 3 bedrooms all are carpeted and include built-ins, the bathroom contains a shower and bathtub while the laundry provides direct external access to the yard. The yard itself is low maintenance and fully fenced and the attached single car lock up garage allows for added security with internal access. If the idea of privacy for your next purchase is appealing call our office today to arrange your inspection today.
