\$695,000

It is not often that you come across a picture perfect, move in ready family home like this! This property is a must see for the buyer seeking a family home plus a huge shed that will accommodate the entire family! Tucked into a quiet court setting with no through traffic and siding onto a vacant council lot and a water easement at the rear, you only really have one neighbour. Solar powered gated entry at street level keeps the kids and pets safely inside the property and there is garage parking for 2 and parking for 2 more in the driveway PLUS to the side of the property is a HUGE (6m x 10m - 3.9m high approx.) powered and lockable workshop/shed with parking for the boat or weekend camper. WOW! Inside the home is lux with the current owners paying attention to detail making sure this home is move in ready. At the front is a media room that flows freely through to the dining room and kitchen beyond. There are sliding door access through to the private verandah and outdoor entertaining areas with easy care gardens and lawns, established trees and the workshop shed acting as a huge sound and privacy buffer. The master bedroom suite includes a walk-in robe, carpet flooring and ensuite bathroom with twin vanity. There are three additional bedrooms each with robes built in and tiled flooring along with split air-conditioners as well. The main bathroom has a bathtub and shower with central vanity plus there is an internal laundry room with linen press and sliding door through to the back of the home. The kitchen is a stunner with a modern aesthetic and plenty of prep areas to work from along with breakfast bar seating and a walk-in pantry as well! Solar hot water, 5kW solar system with Fronius inverter and 22 solar panels on the roof to save on power that feeds back into the grid. Walk to nearby parklands with play areas for the kids, ride your bike with the kids to public and private school options or pop up to the Palmerston shops. Spend your free time at the Palmerston Water Park or Skate Park or take a stroll along the lakes looking for turtles and fish – Palmerston is a thriving suburban setting for the family with loads of activities throughout the year in the quarter, Friday night markets and more.
