With a large room already underneath, this space is just waiting for your finishing touch. Excellent location this home is close to sporting fields, PCYC, schools and town centre. The kitchen with good dining area makes family living easy. The air conditioned timber floored lounge adjacent, is perfect to then retire to and just relax. Polished timber flooring continues down the hallway with vinyl to the kitchen, dining, bathroom and toilet areas. The bathroom has sliding glass doors to the shower and is separate to the bath. Laminex surrounds, vanity unit with large mirror to the side to complete this area. The bedrooms are air conditioned have ceiling fans and carpet flooring for comfort. Downstairs the lockable room includes the laundry area. The size of this area is impressive. Divide into extra rooms plus shower and toilet, your choice. With two car accommodation under boasting two roller doors plus access through to the backyard this area can double when entertaining. A full driveway with concrete edging to the front garden adds up to nice street presentation. Colorbond to one and a half sides and good wire fencing to the backyard, double gate access to the side on 700sq m freehold land. This is a home a family will enjoy coming home to.
