This rural property is a fantastic opportunity to get creative and make it your own. Whether you're looking for a rural escape or a renovation project, this 1970 three-bedroom all-electric brick veneer house on approximately five acres has plenty to offer. The home's well-designed floorplan allows for all your living activities at one end and your sleeping and bathrooms at the other. The master bedroom boasts an ensuite and walk-in robe, bedroom two has built-in robes, and bedroom three is directly across from the bathroom. The property is divided into two areas. Around the home is an abundance of established trees, a single carport attached to the property and a steel garage. The second area is a large fenced paddock. With the You Yangs as a backdrop and the Lara townships nearby, you will not want to miss this opportunity. Terms: 10% Deposit Settlement: 60 days or sooner by agreement.
