Nestled in the heart of Gum tree hills, this property ticks all the boxes. Immaculately kept, this updated property consists of three spacious bedrooms, central bathroom with separate toilet, large family living area & spacious kitchen & meals overlooking the back yard. This property is fantastic for entertaining, as it includes a large undercover pergola area as you step outside, which encloses with remote blinds & heat strips to keep you warm in the cooler months. The block size of 658m² (approx.) is elite with having so much room for the kids to play whilst having rear access from the double garage its perfect to potentially put up a shed (S.T.C.A). Additional features include; Ducted heating, reverse cycle split system, double garage side access, established front & rear garden with exposed aggregate driveway & much more. Located extremely close to public transport, Kismet park primary school & other amenities around Sunbury. Call James Rizk on 0458 457 386 for more information.
