A bright, inviting modern residence where modern excellence and low-maintenance ease are beautifully matched, this dual level home is defined by immaculate originality throughout. A downstairs domain featuring polished timber floors is intelligently zoned so that a generous lounge leads to an appealing living/dining area and a pristine central kitchen. Above, an upstairs level dedicated to accommodation features a main bedroom with a balcony outlook, built-in robes and ensuite while two additional bedrooms each have their own built-in robes and share a second bathroom that offers a separate bath and shower. Reverse cycle heating/cooling accompanies each bedroom and the living/dining area of this ideal design. Beyond these perfectly presented spaces, paved outdoor entertaining proportions beneath a pergola overlook the private backdrop and a secure double garage accessed from Liley Lane. Adjacent to Jackson Reserve, moments from Mason Street and Newport station, with Williamstown shopping and the water within equally easy reach, this address offers attractions in every direction.
