Take this opportunity to own 4603m² of pure tranquility in the heart of Lake Macdonald. Situated less than 10 minutes to the historical township of Cooroy and 30 minutes to Hastings St and the world renowned Noosa Main Beach, this property has outstanding potential. Renovate the existing Queenslander home into something truly special or start fresh and build your dream home amongst a sub tropical rainforest sanctuary. The existing home has the footings and height to create several more bedrooms, bathrooms & living areas while maintaining the charm of its post war origins.
