Discover this amazing 4-bedroom, 2-bathroom family oasis. This property not only exudes comfort but also sits in a prime location, making life easy and enjoyable. Step inside to find a cleverly designed layout that maximizes space and functionality. The bedrooms are roomy and come with loads of storage. The master bedroom has its own ensuite, creating a private haven for relaxation. And here's the twist - the 4th bedroom can be your personal home theater, adding even more family space. Now, the kitchen - it's a chef's paradise, boasting modern appliances, stone benchtops, a breakfast bar, loads of storage, a butler's pantry, and sleek design. The open-plan living and dining area seamlessly flow, perfect for entertaining or quality family time, and it leads right to the rear patio. This gem also features a double garage for your cars and storage needs. With a generous 503 sqm land, outdoor activities are a breeze. Nestled in a peaceful court, you'll enjoy the privacy and tranquility you crave. The family-friendly neighborhood is close to parks, schools, and amenities. First-time buyers and investors, this is your golden ticket. Don't let this beautiful home in Mount Low slip away. Get in touch today and let's make your dream home a reality!
