## **Luxury brand new home sets the benchmark for family living**

Captivatingly tranquil, this striking home showcases the ability to escort serenity to your front door, transforming what you call a home, a haven. Housing 4 large bedrooms, and a spacious front yard, this design is perfectly innovative for family living. Basking in natural light, this family-friendly floorplan is designed for entertaining and relaxed living. Located in the heart of Greenacre this parcel of land is conveniently located to schools, transport, and parks, inserting itself into the beautifully close-knit community ideal for buying your forever home.
