This large residential building block approximately 900 sqm in size and sits as a very good buy in the current market. As an extra bonus there is a large double shed built at the rear of the property leaving ample room to build your dream home. The shed is approximately 7M x 9M in size with a concrete slab and twin roller door. Blocks this size are difficult to find without the added benefit of a shed so we are confident to say you're getting extra for no extra. Only one like it so be quick. There are no time limits to build so you can bank the land for investment purposes or build straight away. Call Sterling Turner 0429 619 478. Disclaimer: Sterling Turner Real Estate have no reason to doubt the accuracy of the property information provided by various sources, however, this is a guide only. We advise that it is important that when you inspect the property you make your own enquiries.
