Superbly appointed across two levels, this modernized terrace home is beautifully presented throughout and will appeal to the most discerning of buyers. Ticking all of the boxes and more, this stunning home offers an enormous open plan living area complete with feature gas log fireplace, a modern stone finished kitchen with a stainless steel 900mm freestanding cooker, huge butler's pantry, built in bar and spacious island bench. Sliding doors from both ends of the downstairs living area open directly onto separate undercover outdoor alfresco entertaining areas giving you the choice of breakfast in the morning sun or sitting back and enjoying the warmth of the afternoon sun with a glass of vino. The upper level offers glimpses of the main harbour and includes 3 oversized bedrooms - two with built in robes, a family sized bathroom and a master suite with a fitted walk in robe and a generous sized ensuite. Split system heating & cooling over both levels, a monitored alarm system, double garage with internal access & an abundance of storage further add to this home's appeal. Stroll to the boardwalk, Marthas Table restaurant, the dog friendly beach or enjoy the extensive walking tracks and parks spotted around 'The Cove' - This is a truly enviable lifestyle.
