Modern design elements and resort-style amenities converge within the Zen Complex to provide an irresistible lifestyle that benefits from a celebrated position within steps of Queen Victoria Market. Natural light circulates through floor-to-ceiling windows, with simple & clean living spaces animated by hardwood timber flooring. Desirable dimensions and variable flooring add a sense of drama. The pursuit of culinary perfection is facilitated across the stone capped benches of a galley kitchen featuring quality European appliances & high-volume polished cabinetry. A master bedroom with BIR and ensuite is accompanied by a second bedroom with BIR and bathroom. Outstanding features include fully-tiled bathrooms, central heating & cooling, wide hardwood flooring, square-set joinery, and horizon perspectives providing picturesque backgrounds for any occasion. Building amenities include 24/7 concierge/security, gym, pool, spa, sauna, steam room, barbecue alfresco, & entertainers lounge. This acclaimed pocket places Melbourne Central, Flagstaff Gardens, Carlton Gardens and Errol Street within easy reach.
