Auction

Auction Location: On-Site Situated on an expansive 870m² block, with a massive back yard (like they used to make them!), this home is on the market for the first time since it was built by the current owner more than 50 years ago, and presents an incredible opportunity to secure a family home in a fantastic location. Set over two levels of living, the upper level of the home boasts a spacious well appointed eat-in kitchen, which leads out to the large air conditioned living/dining room. A fully enclosed sunroom enjoys beautiful mountain and sunset views, and would be ideal as a home office, or kids rumpus. This level also offers 3 spacious bedrooms, all built-in, main bathroom, with separate shower and bathtub, and a separate toilet. The lower level of the home has been set up as a large rumpus area, with bar, and a guest bedroom, as well as internal laundry. The rumpus flows effortlessly out on to the massive back yard, with so much room for the kids and pets to play, or the perfect spot for you to add a swimming pool. The home has been in the same family since it was first built, and the time has come for a new family to make their memories here, in a perfect position, close to shops, schools, cafes, restaurants, Toohey forest walking trails and transport, with a bus straight into the Brisbane CBD just 5 minutes walk away.
