The Hobart is a functional floorplan that's been cleverly designed for a narrow lot - you're welcome! Efficiently suited to a 6m wide lot, but still full of all the good stuff, the Hobart packs a punch with 3 bedrooms, 2 bathrooms and space for everyone to chill/eat/dance (not necessarily in that order). At the front of the home is the master suite with walk-in-robe and ensuite. Continue down the hallway to find a European laundry tucked away conveniently close to the bathroom. With two minor bedrooms, there's plenty of space for the kids to spread out, or friends to crash after a big night. At the rear of the home is the highlight of the Hobart, an open plan living/dining and kitchen that opens out to a courtyard to soak in all that summer sun. With enough space for parties, entertaining or movie marathons, this home is a bundle of goodness all year round. *Images depicted on this site are for illustration purposes only.
