Here is the perfect opportunity to own your own home without the worries of renting again. Take a look at the incredibly affordable asking price of just Offers Over \$175 000. It's nestled on a spacious 1214sqm block and is a cottage-style home that was constructed in 1950. Stepping inside, you'll be greeted by a wide hallway that leads to three generously proportioned bedrooms, two of which hold walk-in robes. There's also a formal lounge room and high ceilings and floorboards that feature throughout the front section. Towards the rear is the kitchen area, complete with a pantry, that flows into the adjoining dining area. A bathroom awaits with a shower, bath, and vanity and there is a separate toilet located conveniently in the laundry. You will have to act fast to not miss out on this one. Countless buyers have regretted missing out on the cheaper end of the scale properties before, so don't hesitate. Contact Lara Turnbull at 0437 225 793 or Steve Hill at 0407 778 462. Please note that this property is sold in an 'as is' condition and a separate Annexure will be attached to a contract of sale.
