Quietly tucked away on a no through road and overlooking the Greens Beach Golf Course sits this updated 3 bedroom shack with separate double garage, generous block and a fantastic outdoor deck area. The property is located within minutes of the beach and the local convenience store. Presented beautifully throughout the practical and functional layout offers 3 bedrooms – two with built-in robes, open plan living / dining which flows to the updated and well equipped kitchen and an updated bathroom / laundry with separate toilet. The current owners have had the interior painted and floor coverings installed, so all you need to do is move in and enjoy. A wood heater in the lounge room adds ambience in winter and provides a great heating option. There are 2 water tanks onsite along with plenty of additional parking off street. Anyone looking for a shack for their family to enjoy or maybe even an air bnb property, this one should be top of your list to check out. Priced to sell and sure to move quickly!
