Hitting the websites is this neat and tidy highset three bedroom home in the peaceful township of Giru... Conveniently positioned at the end of the street, this home would be a valuable addition to an Investor or first home Buyer offering heaps of features any family, especially yours, could need... Enjoy a morning coffee on your front patio and then entertain the night away on the beautiful back deck overlooking the lush back yard... It's all here... Generous open plan layout awaits within with ample room for the family to spread out in both living and dining area... Forming the heart of this space is the delightful timber kitchen which will make the Chef of your house extremely happy... There are three bedrooms all of good size, complete with fans and air-conditioning available in the master... These are conveniently located close to the bathroom amenities which offer shower recess, vanity and separate toilet... Through-out the home are polished timber floors making the property cool all year round... It doesn't end here... Underneath the home there is parking available for the family vehicle and also available is a lockable storage room... This area also makes for a great spot for kids and family to entertain as well... SOLAR is fitted to help keep those pesky ERGON bills at bay... Fenced 1,012m² block and so much more... You need to call us to inspect this home today...
