Embrace the chance to renovate or knockdown and rebuild your dream home (STCA) on 503sqm (Approx.) This exceptional property is ideal for multi-generational living and holds the key to a world of creative opportunities, comprising a three bedroom home with two additional self-contained units, each with its own courtyard or outdoor area, providing a private and enjoyable space. The property features a double carport, along with additional off-street parking for a third car. Behind the solid brick fence, you'll find the main home, which includes a separate lounge, dining area, and original kitchen with a gas cooker. The three bedrooms, one with a built-in robe, are complemented by a central bathroom, toilet, and laundry. The first attached unit offers a bedroom/teen retreat with a kitchenette, shower, split system A/C, and dishwasher. The third unit (rear) features a separate living area, bedroom, a kitchen and bathroom, all within easy access to the freeway, public transport, Essendon Fields and Westfield Shopping.
