Do you want to escape the city life, but not be far from town? Looking to depart the Coast, but still be close to work? You need to see this home. Just over 1 acre of the gentlest sloping east side land containing the most homely dwelling is ready for a new beginning. Sitting just 500 metres off the main thoroughfare, only 7 minutes to the new highway interchange and 10 minutes to the CBD, you won't find a more peaceful destination. Set to the rear of the block is a beautiful 3 bedroom home, resplendent with bullnose patios, and featuring a 2 way bathroom. Fresh with a new lick of paint, this house breathes family. The kitchen is secluded but functional with direct access to the combined dining and lounge areas, with window opening to the wide covered patios on the south and west. These patios not only protect from the weather quarter, they also provide shelter for the outdoor entertainer. The leafy surrounds ensure your privacy from the unseen neighbours. Adjacent the home is a 2 bay Colorbond shed for the cars or workshop, with ample room to construct another. 15,000 gallons of rainwater services the homes needs adequately.
