Expressions of Interest

This revamped three-bedroom, one bathroom with garage home has retained its character features while keeping the integrity of the era in which it was built, offering uninterrupted views of the coastal surrounds at every turn. Featuring exquisite, exposed wooden beam ceilings, original timber hardwood window frames laced with modern day shutters. Plus, all the modern improvements you could yearn for, from a modern spacious kitchen with country charm like features, stone benchtops and top of the range fittings and fixtures. With seamless flow out onto the large north facing deck and gorgeous garden, all year-round entertaining will be a breeze, especially with a picturesque backdrop coastal view of Lake Coila and Tuross Head. When it's time to cosy up, the grand separate lounge is the perfect haven. While an additional separate living makes a great spot for kids to have their own space. Situated on a spacious 910 sqm block of land, this property offers plenty of room for outdoor activities and potential for future development. Located in the sought-after area of Tuross Head, this property is located only metres to the main beach and short stroll to the village shops (grocer/pharmacy/doctor/hair salons/cafes/restaurants) cycleway and walkways around Tuross. Whether you're looking for a permanent residence or a holiday home, this property screams potential. My vendors are motivated, so now is your chance to seize this opportunity.
