You've dedicated so much time to searching for land, you're now dreaming about it at night. You have been to more building show rooms than you can shake a spirit level at, and they even know you on a first name basis at Bunnings. Perhaps you've even settled for another block of land and have a sense of trepidation, and still find yourself searching the internet for a better option? Quite unexpectedly, this amazing opportunity to purchase into Settlers Rise has arisen. The owners have supplied the most amazing house plans, which take in the natural beauty and landscape, capturing the hinterland views of The Gap through to Mt. Coot-tha and the D'Aguiar National Park. This is the most magical block of land, and we have no doubt it will be popular with buyers who already appreciate that location and orientation is key.
