Set back in time when properties were simple and a pleasure to be enjoyed. Bessa block two bedroom shack (house) with large dine in kitchen and living area all in one. Bathroom has a separate shower with corner vanity on the entrance. External wc with easy access from the rear of the house. Good size allotment on Snapper Road with carport, garden shed and rainwater tank. There is a lot to like here I personally love the size, solid construction and room to make improvements or extension if purchasers would want. RLA 110
