Darling Californian with Versatility

Tasteful enhancements have taken this charming Californian and turned it into a contemporary family haven, boasting four large bedrooms, light-filled openness and a lifestyle hot spot address. High decorative ceilings, luminous leadlight windows and polished hardwood floors all work together to increase original appeal. Follow the wide hallway to the immaculate kitchen starring stainless-steel appliances, breakfast bar and abundant cabinetry. The spacious meals/family leads to an outdoor undercover entertainer's area and sizeable backyard comprising garden and shed. Restful bedrooms (one with bay window) are serviced by the central bathroom and powder room (second toilet). Including heat/cooling, laundry and driveway off-street-parking. Zoned to Coburg High, it's seconds to Sydney Road, city-bound trams, Pentridge/ Coburg North Village, Merri Creek Trail, Coburg Lake Reserve and schools.
