You can see why architects have revived the big, bold lines of brutalism. That striking block design makes a powerful statement, with clean edges and a towering façade serving as a symbol of strength in this showcase new home. Step inside this stunning 52square (approx.) residence and the 'wow' factor unfolds across a party sized family living wing with a fully enclosed outdoor room – a magnificent open plan setting for grand scale entertaining. A swathe of luxury features brings warmth and texture to the double storey design, with luxury wool carpets, engineered Oak floors and large format bathroom tiles all the way to the ceiling for dramatic effect. For multigenerational accommodation, 6 king sized bedrooms are each complimented by a private bathroom – the guest quarters reserved on the ground floor with beautiful north facing light for a sense of retreat. Zoned for Wheelers Hill Primary and Secondary (STSA), with nearby Caulfield Grammar and Wesley College, the location presents every opportunity for the family to thrive, close to shops, restaurants, parks, transport, medical services, Monash Fwy and Eastlink.
