Nestled on a slip road and perfectly positioned off the street, this stylish 3 bedroom 2 bathroom villa has an extra sense of privacy attached to it and occupies an ultra-convenient location – close to everything you could ever want or need. The open-plan living, dining and kitchen area is where most of your casual time will be spent and impressively boasts sleek stone bench tops, double sinks, a double-door storage pantry and excellent stainless-steel range-hood, gas-cooktop, oven and dishwasher appliances. The pick of the bedrooms is the larger master suite where mirrored built-in wardrobes meet an intimate ensuite bathroom with a shower, stone vanity, storage and more. Both queen-sized spare bedrooms have mirrored built-in robes too and are serviced by a very large shower and a separate bathtub in the main bathroom. The separate laundry is nice and contemporary, playing host to a linen press and a sliding door for external access to the drying courtyard. The rear of the property is highlighted by a terrific under-cover pitched outdoor patio-entertaining area, off the living space. All of this – and more – so handy to Stirling Central Shopping Centre, restaurants, lush local parklands, public transport, outstanding schools and even medical facilities. This, ladies and gentlemen, is modern low-maintenance lock-up-and-leave living at its very best!
