Your dream home plans can stay alive.... And while they come out of the ground you can live in Ultimate comfort!! Just wait until you see the quality of the shed.. You actually may never want to build!! The 10 Acres of land is so private and peaceful and has many perfect flat build sites available.. Perhaps you are an "off grid" lover? Well the shed is already all set up.. Extend this to the house later too!! There is a great road up to the main section of the block and a dam that is currently servicing the shed.. You will love the peace and quiet, all just 10 minutes from the local school and around 40 mins to Hobart.At Area Specialist Community Real Estate, we strive to achieve the highest possible price for our homeowners, along with the best marketing your money can buy.
