Designed with families in mind, this expansive residence offers four bedrooms, spacious living areas, and a dedicated home office. Situated on approximately ten acres, this sought-after property features a solar-heated indoor pool-a rare find for families seeking the perfect retreat or an opportunity to create extra income. The three generously sized bedrooms offer ample space and storage, while the master bedroom boasts a vanity and toilet. The main bathroom provides a separate bath and shower. Step through the lounge onto the outdoor area, where two additional living zones complement the kitchen/dining zone. Located on the southern side of the property, the pool area includes a third toilet, vanity, and a fourth bedroom for added convenience. Towering hedges ensure privacy, while the expansive manicured yard and paved entertainment areas make this family home a true gem. Enjoy picturesque river views from the property, which also provides secure parking for up to four cars-two with internal access to the home and two with workspace, perfect for tradesmen. Additional features include ducted vacuum, gas heating, reverse cycle air-conditioning, built-in robes, ample storage, and remote entry to a double auto garage. With its myriad of extras and inviting ambiance, this home is sure to impress. Call Sharyn Crack to arrange your inspection. ** Property Circle Tas has no reason to doubt the accuracy of the information in this document which has been sourced from means which are considered reliable, however we cannot guarantee accuracy.
